Additional Clauses for Victorian Events

SCHEDULE 2

WARNING: If you participate in these activities your rights to sue the supplier under the *Australian Consumer Law and Fair Trading Act 2012* if you are killed or injured because the activities were not supplied with due care and skill or were not reasonably fit for their purpose, are excluded, restricted or modified in the way set out in or on this notice.

NOTE: The change to your rights, as set out in or on this notice, does not apply if your death or injury is due to gross negligence on the supplier's part. Gross negligence, in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the *Australian Consumer Law and Fair Trading Regulations 2012* and section 22(3)(b) of the *Australian Consumer Law and Fair Trading Act 2012*.

SCHEDULE 3

WARNING UNDER THE AUSTRALIAN CONSUMER LAW AND FAIR TRADING ACT 2012

Under the Australian Consumer Law (Victoria), several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this form is required to ensure that the recreational services it supplies to you:

- are rendered with due care and skill; and
- are reasonably fit for any purpose which you, either expressly or by implication, make known to the supplier; and
- might reasonably be expected to achieve any result you have made known to the supplier.

Under section 22 of the *Australian Consumer Law and Fair Trading Act 2012*, the supplier is entitled to ask you to agree that these statutory guarantees do not apply to you. If you sign this form, you will be agreeing that your rights to sue the supplier under the *Australian Consumer Law and Fair Trading Act 2012* if you are killed or injured because the services provided were not in accordance with these guarantees, are excluded, restricted or modified in the way set out in this form.

NOTE: The change to your rights, as set out in this form, does not apply if your death or injury is due to gross negligence on the supplier's part. Gross negligence, in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the *Australian Consumer Law and Fair Trading Regulations 2012* and section 22(3)(b) of the *Australian Consumer Law and Fair Trading Act 2012*.

Additional Clauses for South Australian Events

Form 1—Recreational services—Exclusion, restriction or modification of rights under the Australian Consumer Law (SA)

Your rights:

Under sections 60 and 61 of the Australian Consumer Law (SA), if a person in trade or commerce supplies you with services (including recreational services¹), there is:

- a statutory guarantee that those services will be rendered with due care and skill; and
- a statutory guarantee that those services, and any product resulting from those services, will be reasonably fit for the purpose for which the services are being acquired (as long as that purpose is made known to the supplier); and
- a statutory guarantee that those services, and any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services).

Excluding, restricting or modifying your rights:

Under section 42 of the Fair Trading Act 1987, the supplier of recreational services is entitled to ask you to agree to exclude, restrict or modify his or her liability for any personal injury suffered by you or another person for whom or on whose behalf you are acquiring the services (a third party consumer).

If you sign this form, you will be agreeing to exclude, restrict or modify the supplier's liability with the result that compensation may not be payable if you or the third party consumer suffer personal injury.

Important

You do not have to agree to exclude, restrict or modify your rights by signing this form.

The supplier may refuse to provide you with the services if you do not agree to exclude, restrict or modify your rights by signing this form.

Even if you sign this form, you may still have further legal rights against the supplier.

A child under the age of 18 cannot legally agree to exclude, restrict or modify his or her rights.

A parent or guardian of a child who acquires recreational services for the child cannot legally agree to exclude, restrict or modify the child's rights.

Agreement to exclude, restrict or modify your rights:

I agree that the liability of the Provider for any personal injury that may result from the supply of the recreational services that may be suffered by me (or a person for whom or on whose behalf I am acquiring the services) is excluded.
