Welcome to 2025 and Round One of the Pirelli Motul Victorian Road Racing Championships and Australian Sidecar Championships.

On behalf of the Preston Motorcycle Club Committee, we are excited to welcome competitors, teams, spectators, sponsors, supporters, officials, marshals, and volunteers to the iconic Phillip Island Grand Prix Circuit for the opening round of the 2025 Pirelli Motul Victorian Road Racing Championships.

We are excited to host the opening rounds of the 2025 Australian Sidecar Championships and the Roaring Sporties Australia National Challenges, along with our feature Victorian Championship and support classes. We have some good-looking grids all in for the running of both the Harvie Wiltshire Superbike (further detail contained) and Hughie Hoare Supersport perpetual trophies, also featuring this weekend.

The start of the Victorian road racing championship season has come around quickly. If you have been active in the community, you will be aware it was a tough end to 2024, with our series, and the sport plunged in political and insurance turmoil, leading into 2025. At this stage, we cannot promise a round two. We can only hope resolutions can be sought and we can continue to go racing.

The Preston MCC had some challenges with our calendar for 2025 and have done our very best to bring you a 2025 that is as close to your expectations as we can. We are back to a four-round series, with a new date in October being added as round three. The full Pirelli Motul VRRC and Preston calendar are on page 26 of the program. Keep an eye on the www.prestonmcc.org.au website for updates. The full series supplementary regulations are available to view. We wait and hope.

We would like to extend our heartfelt gratitude to the incredible series sponsors and supporters. Your ongoing patience, passion, commitment, and generosity make events like this possible, keeping the costs of racing affordable as well as providing essential support to our racers. We encourage you to visit the paddock throughout the weekend to check out the fantastic range of products and services offered by our dedicated sponsors, detailed throughout the program.

A massive thank you also goes to the dedicated teams and individuals who make this series possible, including Race Marshals Victoria, Computime Racing Timing Services, the Event Medical Team, and our Race Bike Tyre Suppliers. Your contributions ensure a safe, efficient, and professional event for everyone involved.

And of course, none of this would be possible without the tireless efforts of the Preston MCC Committee and officials. Your time, dedication, and passion for the sport ensure that the Victorian Road Racing Championship Series continues to thrive.

We hope you enjoy the weekend. Thank you for getting on board to support the 2025 Pirelli Motul Victorian Road Racing Championships.

Safe racing and enjoy the action!

RIDE DAY INFORMATION

Your sessions are graded based on your speed and experience, to maximise your time on track.

Starter Group (Red)

The Red Group is for riders that are new to ride days or new to a particular racetrack. The Red Group aims to offer confidence so that no-one feels intimidated or threatened, in such a new environment.

Intermediate Group (Green)

The Green Group is for the road rider with some ride day experience who is now familiar with how ride days work, and have some more pace on the track now.

Intermediate-Fast Group (Blue)

The Blue Group is for the experienced rider with pace on a ride day, who would prefer no overtaking rules. Faster than the green group, it offers the opportunity to overtake on the inside of corners, with caution and respect.

Advanced Group (Yellow)

The Yellow Group is for the very experienced rider with pace and consistency. It is the fastest group, offering speed and enjoyment whilst maintaining safety and respect. It is a ride day, not a race practice day.

We have an awesome crew ready to help you out, answer your questions and ensure you have a great day!

HIRE GEAR

Ride the racetrack knowing you are wearing the ultimate in safety apparel. The new range of Berik race leathers, Berik boots and gloves are fantastic and available in a full range of size to suit most!!

72nd running of the longest-running trophy race in Australia - Harvie Wiltshire Perpetual Trophy

The opening round of the Pirelli Motul Victorian Road Racing Championship at the Phillip Island Grand Prix Circuit will once again incorporate the longest-running trophy race in Australia – if not the world.

The Harvie Wiltshire Trophy was first contested in 1951, and other than 1965, 2020 and 2021, has been competed for every year since.

Harvie Wiltshire was a member of Victoria's Preston Motorcycle Club in the 1940s, and lost his life in a road accident. To honour Harvie's memory his widow donated a trophy – the very same trophy that will be competed for this weekend.

The inaugural Harvie Wiltshire Trophy race was raced at the Darley circuit – near Bacchus Marsh – on the 26th December 1951, which saw Maurie Quincey winning the race aboard a Norton. Quincey would go on to add his name a second time, in 1956.

This weekend will be the 72nd running of the Harvie Wiltshire Perpetual Trophy. The trophy can boast some of the biggest names in Australian motorcycle racing, many who went on to achieve success on the international stage. Ken Blake, Ron Toombs, Gregg Hansford, Robbie Phillis, Daryl Beattie, Steve Martin, the late Anthony Gobert and even Brayden Elliott, who is flying the Aussie flag in the British Superbike Championship.

A total of 47 different riders have won the Harvie Wiltshire Trophy. 27 of those winners have been Victorian riders who have put their name on the trophy, the Victorian rider being Mark Chiodo in 2018 on the Suzuki GSX-R1000.

12 winners from New South Wales. Four from South Australia, with Charles Holding being the latest to claim the trophy after his dominant 7.906sec victory over Brett Simmonds last year. Just three riders from Queensland have edged their name into the trophy - Gregg Hansford (1976), Daryl Beattie (1990), Mike Jones (2019), while Rick Perry, the 16th different winner of the Harvie Wiltshire Trophy, is the sole New Zealander to have won the trophy in 1977.

The question is, who will put their name on this prestigious trophy for 2025. Some heavy weights of motorcycle racing have come to play this weekend, with the likes of double Bennetts BSB champion Josh Brookes, who is now aboard a Honda CBR1000RR-R, Anthony West (Addicted to Track), MotoGo Yamaha Racing's new recruit, Cam Dunker and fresh from winning the 2024 Australian Supersport Championship, Jonathan Nahlous who will field his own team in the Superbike class – CompleteAV on a Yamaha YZF-R1.

The red-hot favourite would have to be former three times Australian Superbike Champion, Glenn Allerton.

If Allerton, who is now racing for the Superbike Advocates Racing team aboard a Ducati V4R does win the 12-lap Harvie Wiltshire Perpetual Trophy on Sunday, he'll be the eighth different rider to have won the trophy two times and the second Ducati mounted rider to win the trophy, the first being Jones in 2019.

2025 marks the 13th time that the Harvie Wiltshire Feature Race will have been staged at the 4.445km Phillip Island Grand Prix Circuit.
